

3 October 2019

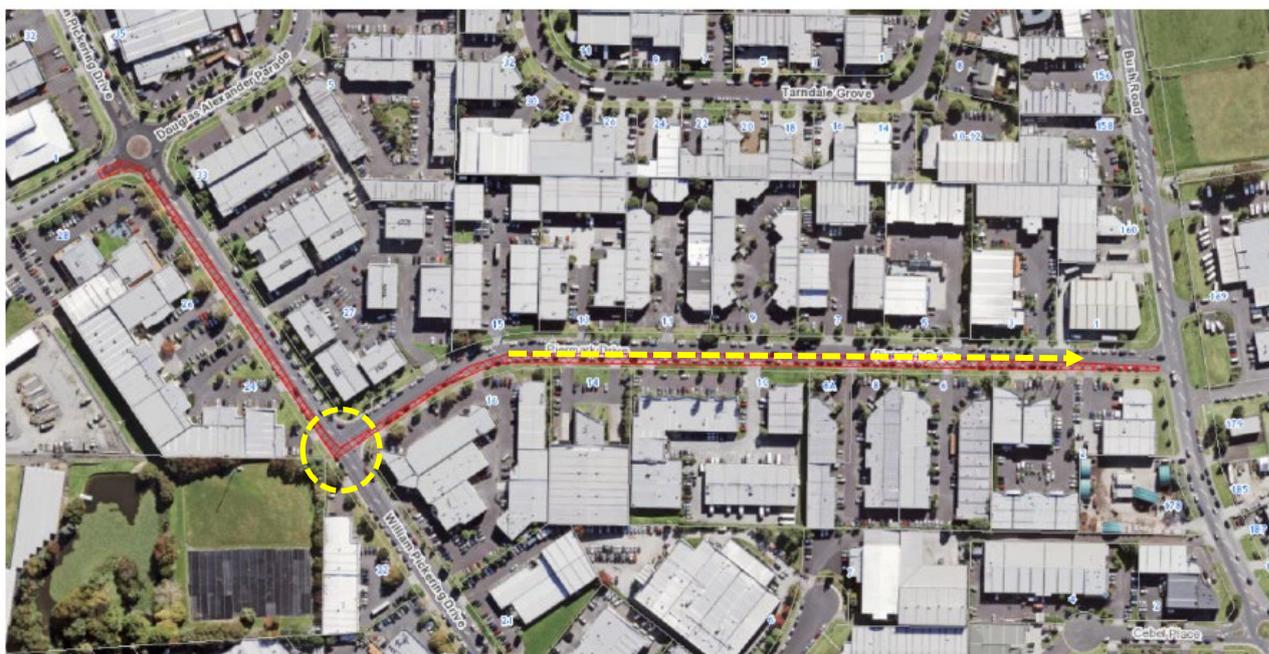

Dear Neighbour

Improving your wastewater network: Northern Interceptor wastewater pipe construction – William Pickering Drive/Piermark Drive works

As part of Watercare's on-going commitment to maintain and improve wastewater services in the Auckland region we are planning to upgrade your local wastewater transmission pipeline. Our contractor The Fletcher Construction Company will continue construction works in the location of Piermark Drive from early October and will run through until December 2019.

The works will continue from William Pickering Drive and then into Piermark Drive as indicated by the red shaded area below. Piermark Drive will become a one-way road for the duration of the works, flowing from William Pickering Drive through to Bush Road. This is indicated by the yellow dashed line in the graphic below. Traffic congestion will be monitored during works to ensure that traffic continues to flow. If issues arise, we will temporarily revert to a two-way system to clear traffic and then return to the one way system once congestion is cleared.

Figure 1. Works location

How will it affect you?

- A no parking area will be imposed in the vicinity of the working area.
- Working hours will typically be from 7.00am to 6.00pm on Monday to Friday, and from 8.00am to 5.00pm on Saturdays. Where additional works are required outside of these hours, we will notify you in advance.

- For a period of approximately three weeks, we will be working during the night (7.00pm – 6.00am) to progress the works from William Pickering to Piermark Drive, in the area indicated by the yellow dashed circle. These works are scheduled to start on 9 October.
- Increased truck movements during construction hours.
- Please follow instructions from traffic management personnel. They will assist you should you have any access issues with access to your property. Please advise if you have any specific issues that need to be taken into account.

We apologise for any inconvenience this may cause and thank you for your patience as we aim to complete this work quickly with as little disruption as possible.

Any questions?

If you have any questions regarding these works, please email me at Nlproject@water.co.nz or phone me directly on 021607774. Watercare's Customer Services team are available at info@water.co.nz or on (09) 442 2222, Monday to Friday, 7.30am to 6.00pm (except public holidays).

Yours sincerely
