

Bus Network Review-Business Owners

Overview

New Bus Routes. What does it mean for you and your colleagues? Your two cents worth could win you \$100!

Auckland Transport are proposing to completely change the bus routes on the North Shore. A whole new network will be in place by 2017. This will mean new routes and new bus numbers. We would like to encourage everyone to take a close look at the proposed changes to see how it will impact on our area. We want to know

-Who are currently using buses - will the existing services be affected?

- How the proposed changes will affect North Harbour commuters – will it improve bus journeys and encourage patronage?

- Bush Road appears to have no bus services at all running along it – is that OK?

- Part of Albany Highway has no bus services – now is the time to speak up about that.

- Do we need an Express service from Westgate to Constellation?

Help us by taking a few minutes to complete this short survey (just 8 questions).We need your feedback by Wednesday 8 July. Fill in this short survey and be in to win \$100 Westfield voucher!*
