This information is for those who operate, own or rent a business or property outside the North Harbour Business Improvement District

Thank you for your interest in the Associate Membership of Business North Harbour.

The benefits of being an Associate Member include:

- Your business listed on the Business North Harbour website [business directory](#). The listing consists of your company logo, a short business profile, your social media links and contact information.
- The ability to advertise in our e-newsletters, FYI magazine and online platforms. Giving you the opportunity to market your business and influence our database of over 4,500 members and 35,000 employees across the North Harbour Business Improvement District.
- Free attendance for one business representative to workshops and regional events which include business breakfasts, lunches, business capability programmes and after-five events.
- You will receive a copy of the **FYI magazine** published four times a year, which is full of local business news and information as well as upcoming events.
- Automatic subscription to our fortnightly **YOUR Business North Harbour** e-newsletter updating you on key developments across our core responsibilities such as transport and crime prevention. The e-newsletter will also communicate our networking, business and economic development activities which are designed to enhance business growth and performance.

If requested, given your business is within 15kms of the North Harbour Business Improvement District, our Crime Prevention Specialist can come to your business premises and conduct property risk assessment. You will also receive a Crime Prevention Toolkit during this visit.

Membership is charged on a pro-rata basis to 30 June next year at \$380 + GST per annum and is invoiced from the month following your application. Once we receive payment your listing will be added to the Business North Harbour website and you will receive the benefits outlined above.

Please complete and return your registration form to admin@businessnh.org.nz. The information will be duplicated on your business profile, hosted on our Business Directory. Once loaded you will be sent a link to 'claim' your listing. This is where you will be able to load your logo, photos and other relevant information. **Please note:** the directory you are updating when claiming your listing is due to go live February 2020.
