

Membership Information and Form

This information is for those who operate, own or rent a business or property within our [Business Improvement District area](#).

Business North Harbour's purpose is to empower economic prosperity and growth. Together we will provide a voice for your concerns, facilitate networking for your business development, and ensure you gain access to key stakeholders and decision-makers who may affect your investment.

Business North Harbour represents the interests of 4,500 business and commercial property owners by empowering business and employment growth through initiatives such as crime prevention, transport management, seminars, training and networking events. A full list of services is attached.

We work in partnership with Auckland Transport and NZTA amongst others to develop initiatives to ensure that North Harbour remains a desirable place to work, live and relax. To actively represent your interests, we need your input and engagement through all consultation processes concerning our area's increasing infrastructure demands. Information and updates on current initiatives and projects are available on our website www.businessnh.org.nz.

A key element of this website is the [Local Business Directory](#) which provides all members the opportunity to directly target local businesses plus their employees as well as students within the North Harbour Business district. The website also provides links to live [Look Before You Leave](#)' traffic cameras located around the area.

Crime Prevention resources are also available to all Members. These include a risk assessment of your business premises and a crime prevention toolkit. Specific crime prevention training is available to members including topics such as personal safety, internet security and retail security.

Business North Harbour is funded by a targeted rate which is levied on all commercially zoned properties located within the boundary of the [Business Improvement District \(BID\)](#) area. Only businesses located within the NHBID area have voting rights at the AGM.

Associate Membership is welcomed from businesses located throughout greater Auckland who value the opportunity to network amongst our members and to gain knowledge and financial return through association. If you wish to receive an associate membership pack to pass on to your contacts, please request a pack by emailing comms@businessnh.org.nz.
