

## Welcome to Business North Harbour!

**Business North Harbour would like to extend a very warm welcome to you.  
We are delighted to have you on board.**

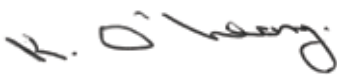

Our primary purpose is to empower economic prosperity and growth, encouraging our members and the community to buy local whenever possible. Whether you own a commercial property or operate a business (or both), we are here to support you, as together we champion North Harbour as a great place to live, work and recreate.

Business North Harbour is a not-for-profit organisation, relying upon a variety of funding streams. We are primarily funded by targeted rates, paid directly by property owners within our boundary and indirectly by the businesses who operate from within these properties, via their rent to their landlords. If you fit into either or both categories, you are eligible to become a member of Business North Harbour.

The many and varied services we provide for members are by and large complimentary or heavily subsidised, making them very accessible. Business North Harbour wants to engage with as many members as possible and also wants members to engage with each other, which is why we offer so many different platforms to achieve this (such as events and the online business directory), along with all our support services (including security patrols, inorganic collections and local transport information).

To find out more, visit [www.businessnh.org.nz](http://www.businessnh.org.nz) or phone us on 968 2222 to register and showcase your business so that you can start enjoying the many benefits of membership. Business North Harbour looks forward to your ongoing engagement, so please feel free to contact us if we can be of service or if you have any questions.

Kind regards

Kevin O'Leary
