## Nightworks Notification

Dear neighbour

I am writing to let you know we are scheduled to be working near you at night on SH1 Northern Motorway and Northern Busway Sunday 27 February through to Thursday 3 March. Hours of work are typically 8pm to 5am. If we are delayed by weather or unforeseen circumstances, work will roll to the next available shift.

### What are we doing?

We are laying asphalt along the Northern Busway between Rosedale Busway Bridge and Watercare Treatment Ponds. In addition, we are laying asphalt in the SH1 Northern Motorway central median between the SH1 to SH18 Underpass and Rosedale Road Motorway Bridge.

### How will it affect you?

Our work has been carefully planned to keep disruption to a minimum; however, there will be some noise, heavy machinery and trucks moving. Road closures will be in place and are detailed below:

Monday 28 February: SH1 Northern Motorway fully closed southbound between Greville Road and Constellation Drive

Tuesday 1 through to Thursday 3 March: SH1 Northern Motorway open between Greville Road and Constellation Drive with lane restrictions in place.

We apologise in advance for any disruption our work may cause.
