SH1 Northern Motorway Lane Layout Changes

Dear neighbour

I am writing to let you know we are scheduled to be working near you at night on SH1 Northern Motorway Sunday 10 April. Hours of work are typically between 8pm and 5am. If we are delayed by weather or unforeseen circumstances, work will roll to the next available night.

What are we doing?

We are moving southbound traffic between Oteha Valley Road and Greville Road to the east. This allows other phases of work to continue. During this phase of work, there will be an 80km speed limit in place southbound between Oteha Valley Road and Constellation Drive. This is required so our crews can enter and exit the work area directly from live motorway lanes. See map overleaf.

How will it affect you?

Our work has been carefully planned to keep disruption to a minimum; however, there will be some noise, heavy machinery and trucks moving. This work must take place at night to lessen the impact on daytime traffic.

On the night of Sunday 10 April, SH1 Northern Motorway will be closed in both directions between Oteha Valley Road and Greville Road with detours in place.

We apologise in advance for any disruption our work may cause.

Further Information?

If you would like to learn more about the NCI project, please contact our Community Engagement Manager Emma Cushnie by email emma.cushnie@northerncorridor.co.nz or by phone on 027 532 4305.

SH1 Northern Motorway Traffic Switch from 5am Monday 11 April
