Nightworks Notification

Dear neighbour

I am writing to let you know we are scheduled to be working near you at night on SH1 Northern Motorway Sunday 3 July until approx. mid-August. Hours of work are typically Sunday to Thursday, 8pm to 5am. If we are delayed by weather or unforeseen circumstances, work will roll to the next available shift.

What are we doing?

We are laying asphalt in the central median and southbound traffic lanes between Greville Road and Constellation Drive. This work must take place at night to lessen the impact on daytime traffic.

Approximate location of work

How will it affect you?

Our night work has been carefully planned to keep disruption to a minimum; however, there will be some noise, heavy machinery and trucks moving. SH1 Northern Motorway will be closed southbound between Greville Road and Constellation Drive with detours in place. We apologise in advance for any disruption our work may cause.
