CONNECT. COMMUNICATE. COLLABORATE.

Kia ora tatou,

The BNH annual ONE DAY SALE, which is celebrating its 10th year, will take place on Saturday 3rd December. This is an ideal opportunity for retailers, wholesalers and distributors to:

- Get some great pre-Christmas brand exposure
- Maximise your pre-Christmas sales and cashflow
- Move excess or end-of-line stock
- Attract new customers to your products and services

Buying local and supporting local has never been more important so we've also added the "Taste of North Harbour" opportunity for our hospitality businesses to get involved and we've secured a venue for pop up markets if you want to participate but can't use your own premises.

With more opportunities to participate than ever before there's no reason for you not to be included in this extravaganza, so if you're keen to be involved find out more [here](#).

The Team at BNH wish you all well, please don't hesitate to contact us if we can be of any assistance.

Ngā mihi mahana,

**Kevin O'Leary**

General Manager, Business North Harbour

## Turner Hopkins Webinar

Do you recruit overseas staff or have existing employers on temporary Work Visas?

On 04 July 2022, Immigration New Zealand rolled out an entirely new Work Visa process for employers looking to secure new skills from offshore. As part of that process, employers were required to play a much bigger role in the Visa system with more responsibility and compliance being added to the equation.

The team Turner Hopkins will provide local businesses with a brief but very information virtual information session, outlining the requirements, current processing issues and things to watch out for. We are aiming to host this in the first week of November (date to be confirmed) and will have a midday and early evening session available.

To register your interest, [click here](https://www.turnerhopkinsimmigration.co.nz/employer-registration), answer a few quick questions, and then they will email you with further details: <https://www.turnerhopkinsimmigration.co.nz/employer-registration>

## Help Us Get Kiwi Business Started On Sustainability

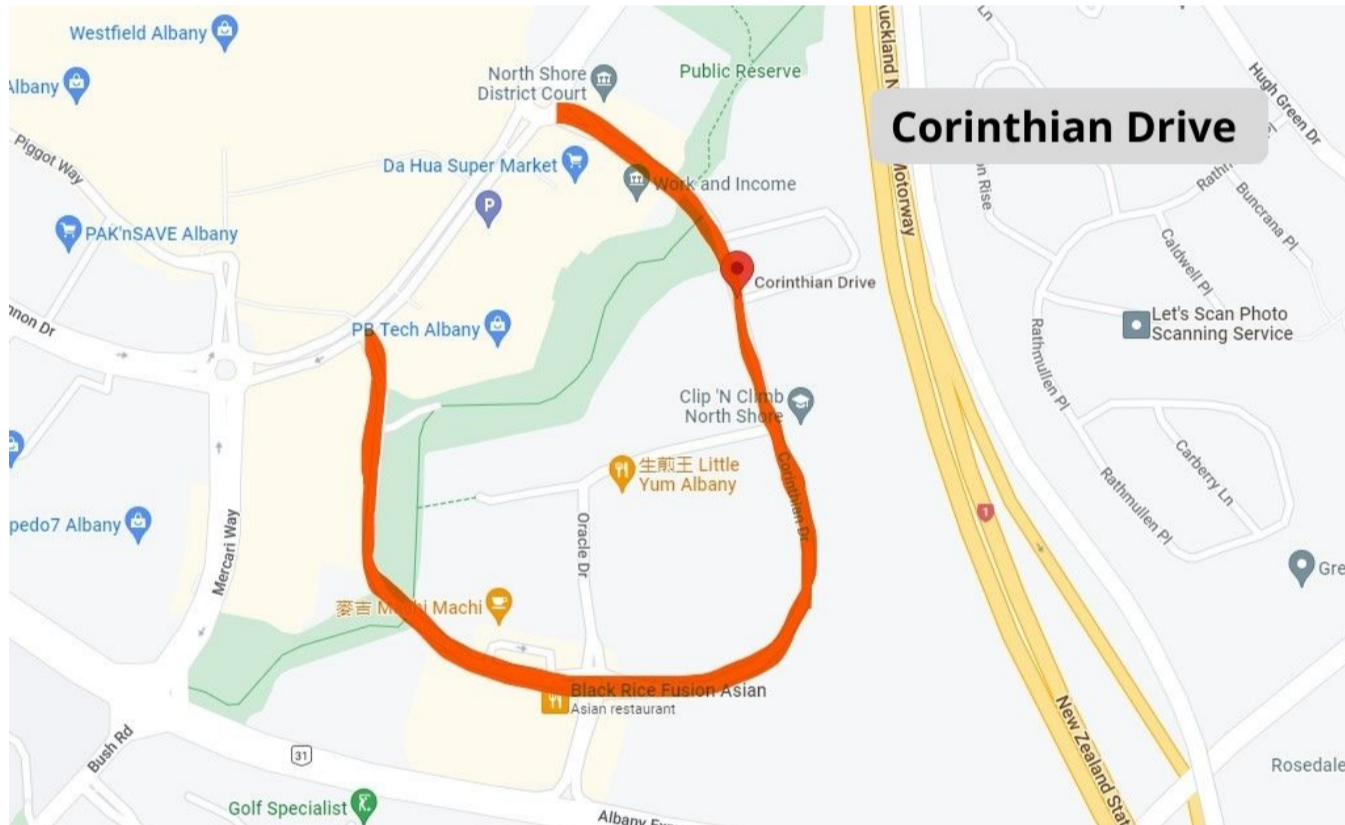

Help us get Kiwi businesses started on sustainability

The climate and biodiversity crisis. Our extraordinarily wasteful system. Urgent action is needed. As organisations and individuals who already know this, we're asking for your help. We're calling on every business in Aotearoa New Zealand to 'start now' on sustainability.

SBN has created an inspirational new campaign and You can help make this happen! To find out how you can help with the campaign, [click here](#).

## Corinthian Drive Update

AT expect construction will begin in February 2023. We may need to delay the work or make other plans if the weather is poor or the contractor changes. For more information, [click here](#)  
In September, AT notified BNH of the planned removal of the bus stops on Corinthian Drive but we need your help to get these vital stops reintroduced.

Currently there are no bus routes that travel the 1.2km (approx.) road and AT have told BNH that it is in it's long-term plan to reintroduce the service, but with the street parking exceeding capacity. Last month, we asked you, our members what you want, and we had 09% response in favour of getting the stop to remind in place and reintroduce the service. Based on that feedback, AT have agreed to keep the bus stops. However, AT have indicated that there is no budget at this stage for reintroducing the service in the near future. So, we need your help. If you are wanting to reintroduce the service to Corinthian Drive, please click on the link to tell AT:

## Increased activity of construction traffic on Apollo Drive

On the 28th October 2022 our contractor, March Cato, will begin setting up a worksite in Apollo Drive reserve, to start works on the East Coast Bays Link Sewer Project. Traffic will remain two-way, however, to ensure the safety of staff and the community we ask that you please follow the direction of traffic management staff and traffic signage.

How will this affect you?

- There will be increased construction traffic in the area.
- The Walkway in Apollo Drive Reserve will be temporary closed.

We thank you in advance for your patience and we will ensure measures are in place to minimise any unnecessary disruption for the duration of this project. For more information on the project visit: [www.watercare.co.nz/eastcoastbays](https://www.watercare.co.nz/eastcoastbays)
