

## **Business North Harbour Leadership and Business Mentoring Programme**

Following the success of the Business North Harbour (BNH) Leadership and Business Mentoring Programmes in 2022, BNH is ready to launch two new **Leadership and Business Mentoring Programmes** which will run concurrently in 2023.

One programme will accommodate female mentees who prefer a female mentor, while the other will be a mixture of male and female mentors and mentees.

The programme has been developed in conjunction with Dr. Patricia Bossons, Honorary Teaching Fellow, Massey University Business School and is a little different from the array of business skills mentoring opportunities which already exist, as it offers a unique opportunity for mentees to be mentored on leadership skills in addition to business topics, by successful business leaders from within the BNH business community.

The programme, **which for BNH members is completely free of charge**, aims to develop leaders and potential leaders in our businesses, thus typical topics that come up in mentoring conversations **might** include:

- Leadership v Management – developing followship
- Leadership Behaviours (authenticity, transparency, vulnerability, empathy, self-awareness etc)
- Difficult Conversations
- Succession Planning
- Letting Go
- Exit Strategies - How does the business run without you?

Additionally, business capability topics **might** include:

- Planning, short and long-term
- Financial Management
- Managing People
- Goal Setting
- Review of Business Performance / Efficacy

Mentors and mentees will be invited to attend a half-day training workshop with Dr. Patricia Bossons on Wednesday 15<sup>th</sup> March 2023, here at Business North Harbour which will be structured as follows:

- 9am – 12pm Mentor Training
- 12pm – 1pm Mentors and Mentees Shared Lunch
- 1pm – 3pm Mentee Training

**(Please note:** Prior to attendance mentors and mentees will need to complete some pre-workshop preparation which will only take around 30 minutes)

Following the training workshop, it is expected that the mentor/mentee sessions will commence in early March 2023. It is envisaged that each mentor would work 1:1 with each mentee, meeting approximately every 4 to 6 weeks, with each mentee being mentored for around 10 months.

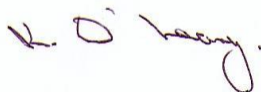

During the programme we will invite mentors and mentees back to BNH for a couple of hours to give feedback and share experiences after 3 months and 7 months.

### **Next Steps:**

- If you have some time and would like to 'give back' and be considered for a leadership and business mentor role please e-mail [kevin@businessnh.org.nz](mailto:kevin@businessnh.org.nz) **NO LATER THAN FRIDAY 3<sup>rd</sup> March**, briefly explaining why you wish to be a mentor and outlining any relevant business leadership experience you may have.
