Don't Suffer From FOMO, Get Your Entries In!

Business North Harbour wants to recognise and celebrate our local business community by offering you **FREE OF CHARGE** the opportunity to showcase your business, your team and your achievements, so make sure you get involved.

You've only got until 30th September, to submit your entries for the inaugural Purple Ink Business North Harbour Business Excellence Awards, so don't miss this unique opportunity to tell us about your successes and the outstanding work that you and your team are doing.

We've kept the entry process simple and succinct so you don't have to reveal all your financials or your business secrets and any information you do submit will only be shared with the judges for the category/categories that you have entered.

Award winners in each of the seven award categories will be announced and celebrated at a Gala Evening on Friday 17th November, so come along and be part of the celebrations. Full details of the award categories and how to enter the Purple Ink Business North Harbour Business Excellence Awards are available [here](#)

Taking Climate Action In Your Business

NZ is committed to a 30% reduction in our emissions by 2030 and to being carbon neutral by 2050. Every individual, organisation and sector has a role to play in achieving these targets.

99% of NZ businesses are SMEs employing less than 50 people and they contribute 35% of our GDP, so it is essential that they are supported to take climate action as **a lot of small actions will produce a large cumulative outcome**. Learn about what you and your business can do to help [here](#)
