Thank You From The BNH Team

I'm delighted to report that Business North Harbour has had an excellent response from members to our inaugural Purple Ink Business North Harbour Business Excellence Awards, receiving 70 entries across the seven awards categories. I would like to thank each and every one of you that took the time to complete and submit your entries, which has resulted in such an impressive final total.

It's now over to our panel of judges who will assess every entry and draw up a shortlist for each category, following which shortlisted businesses or individuals will be visited prior to the public announcement of our finalists.

The final stage of the process is the Gala Dinner on Friday 17th November, where all our finalists will be acknowledged and our winners will be announced. To make sure that you don't miss out on this celebration of our local business community, book your tickets for the Purple Ink Business North Harbour Business Excellence Awards Gala Dinner [here](#).

The BNH Team looks forward to celebrating our local success stories with you at the Gala Dinner.

Ngā mihi mahana,
Kevin O'Leary

The Fujian Commence Department

The Fujian Commerce Department, Bank of China Auckland Branch, and the Fujian Chamber of Commerce of New Zealand collaborated to organise a Trade and Economic Cooperation matchmaking meeting between New Zealand and Fujian. Business North Harbour had the pleasure of attending this meeting, exploring the possibility of leading a delegation to the Fujian Province, comprising some of our local businesses.

During the event, we were fortunate to represent Business North Harbour and provide the Fujian Delegation with an overview of our Business District. Our presentation was warmly received, and we were invited to visit the Fujian Province in the future.

We look forward to the prospect of further engagement and productive partnerships between our regions.
