Heading Towards The End Of Another Year

Kia ora \$[UD:FIRST_NAME]]\$,

With Christmas only forty-six days away I wanted to take this opportunity to make sure that you don't miss out on some of the upcoming celebrations that BNH has planned.

You've only got a couple of days left to secure your seats for the Purple Ink Business North Harbour Business Excellence Awards Gala Dinner on Friday 17th November, at which we will be celebrating the successes of local businesses and individuals from within our Business Improvement District. The finalists have already been announced ([details here](#)), with the runner-up and winner for each category being revealed and celebrated at the Gala Dinner. So, get your 'glad rags' on and come and join the celebrations and show your support for our local business community.

I'd like to say a huge thank you to everyone who entered the awards and the judges who have given of their time to work their way through the 70 entries, a task made all the more difficult by the excellent standard of entries received.

To find out what else we've got planned to help you to finish the year on a positive note, take a look at the upcoming events below or go to the [What's On](#) page on our website to register your attendance.

We look forward to seeing you!

Ngā mihi mahana,
Kevin O'Leary

Mummy's Yummy's Win Big

Mummy's Yummy's was started back in 2009 by Ann-Marie and Darren, one with a passion for baking and the other with a passion for eating her home baking. Their intention was to sell online and at weekend markets, until Ann-Marie popped into Farro and pitched her baked goodies to them... now the rest is history.

Mummy's Yummy's has won an Outstanding NZ Food Producers Award 2021/22, is a finalist in the Excellence in Leadership Award at the 2023 Purple Ink BNH Business Excellence Awards, and most recently won four awards at the Inspire+ NZ Artisan Awards 2023. Congratulations to such a great small business, doing big things!

North Shore Hospital Project Sponsorship Opportunity For Local Businesses

North Shore Hospital's charity, Well Foundation, has this month launched a campaign called GIVE A BIT OF GREEN, to seek community and business support for an exciting project to build New Zealand's first large-scale indoor Healing Garden within the atrium of a new 150-bed hospital expansion on the North Shore Hospital campus which opens in March next year. The planned Healing Garden will fill the 400sqm atrium with a spectacular greenspace and provide a place for healing, visitors and healthcare staff to relax indoors surrounded by nature. Local businesses, including Cruise World within the BNH community, have already lent their support providing an epic

travel prize as part of the campaign.
To find out more visit www.giveabitofgreen.co.nz.

Businesses keen to align with this once-in-a-generation, high profile project can contact Tim Edmonds, Well Foundation CEO at tim@wellfoundation.org.nz or by phone **021 841 047**. Supporting businesses will be acknowledged both as part of the campaign and within the completed healing garden on an ongoing basis.
