Locals Supporting Locals

Kia ora tatou,

The recent announcement by NZ Post that they were closing 140 stores will unfortunately badly affect The Stationery Store at 65 Paul Matthews Road where many local businesses, including BNH, have their PO Box. When BNH heard about this we visited Tania at the store who told us that despite numerous objections, NZ Post were adamant that the relocation of the PO Box lobby to Don McKinnon Drive would go ahead, there's no stopping it.

The ripple effect of this closure has consequences for a number of businesses and the local community and Tania's fear is that the reduced foot traffic for mail collections will see her business struggle. BNH is constantly promoting the theme of buying local, so please ensure that whenever you can members support other members with B2B transactions, no matter how small they all make a difference.

All our events, the details of which are available in this newsletter for those upcoming soon, offer members the opportunity to network and meet other members to start some new and hopefully productive conversations, so make sure that you register and attend whenever you can.

Let's work together and keep it local!!

Ngā mihi mahana,

KEVIN O'LEARY

General Manager

The Retail Crime Ministerial Advisory Group Needs Your Support

Submissions to Parliament on the Crimes Amendment Bill close on 16th February and BNH strongly urges members to make a submission to ensure that the legislation is fit for purpose. Please see below an email from the Chair of the Ministerial Advisory Group on Retail Crime about the Bill and how to make a submission:

I would like to support you and your members to make a submission to Parliament on the Crimes Amendment Bill.
This Bill will make changes to our laws that will help retailers and Police better deal with retail crime. It is based on the proposals that I have heard retailers supporting over the last year.
If passed, the bill will make four changes:

1. strengthen the penalties for theft
2. recognise the stress and harm caused to retail workers by aggressive shoplifting
3. give Police more tools for responding to low-level theft (i.e. a "speeding ticket", but for theft), and
4. better protect victims who act reasonably in defending themselves and their property from criminals.

Making a submission is easy and will only take 5 minutes. It's as simple as following [this link to Parliament's website](#) and writing down your thoughts. No specific legal knowledge is required, and a submission can be as simple as "I support the changes".
I've attached my own submission as a reference that business associations and/or retailers can read, and if they agree, copy and submit in their own name as well. However, I'd like to support every retailer to make their views known, no matter what they are.

Download submission [here](#).

Be Part Of Something Big – Support The 2026 NZ Secondary Schools Wrestling Champs!

WRESTLING NEW ZEALAND

NEW ZEALAND OLYMPIC WRESTLING UNION

Do you or your organisation want to champion youth sport, support grassroots competition, and be part of an international event happening right here in our community?

Yes? Then the NZ Secondary Schools Olympic Wrestling Association would love to hear from you!

Auckland is hosting the NZ Secondary Schools Olympic Wrestling Championships for the first time in over 15 years — and the NZ Secondary Schools Olympic Wrestling Association needs your help to make it an unforgettable event for young athletes across the country.

This year’s tournament will take place at the AUT North Campus on Akoranga Drive, a fantastic venue that gives wrestlers the perfect stage to showcase their skill, passion, and hard work. With more than 200 competitors expected — plus coaches, officials, families, and supporters — the event will bring visitors from Australia, Samoa, Japan, Tonga, and across New Zealand right into the heart of the Shore.

Wrestling is a truly amateur sport, powered by volunteers who give up their time to support these athletes. To keep entry fees as low as possible and ensure as many school-age wrestlers as possible can compete, the NZ Secondary Schools Olympic Wrestling Association is seeking local sponsors and supporters to help cover essential costs such as venue hire and medical personnel. The Association is also on the lookout for a nearby venue to host the prizegiving.

If you’re keen to get involved, please reach out to the Association’s Treasurer, Michael Nola on NolaM@rutherford.school.nz. Visit [their website](#) for more information.

Let’s make this year’s Championships one to remember — together.

Calling Local Businesses: Upper Harbour Waitematā Coastal Clean-Up 2026

UPPER WAITEMATĀ COASTAL CLEAN UP

The Upper Harbour Waitematā Coastal Clean-Up is back for another year!

The Upper Waitematā Ecology Network would love to get in touch with local businesses who are keen to take part or come on board as sponsors.

We’d be thrilled to have your business join Flexi Bin in supporting this event. Donations or sponsorship can go towards a gazebo, BBQ, around 60 sausages, and drinks — making a huge difference and will be greatly appreciated by volunteers at most of the clean-up sites.

This year, we’re planning a potential “mega site” at Wharf Road in Albany, which could see up to 70 volunteers. Kristin School and Mountains to Sea have already signed up, so it’s shaping up to be an exciting and impactful day!

Finally, UWEN is hoping to set up a new clean-up site at Schnapper Rock (next to North Shore Memorial Park). If you know any businesses or corporate groups keen to get involved or support this site, UWEN is happy to provide all the assistance needed to make it a success.

Contact Rachael Pates – Network Manager, Upper Waitematā Ecology Network (UWEN) - rachael@uwen.org.nz - Head to their [website](#) for more info.
