We Want To Hear From You

Kia ora tatou,

Every year Business North Harbour asks our members for their feedback to help us to review our programmes and services and keep providing relevant and engaging opportunities to connect, communicate and collaborate. The information provided by this year's Annual Member Survey will help us to shape our offerings to members in our new financial year which starts on 1st July 2026.

The survey is simple and short, so please take a couple of minutes to give us your feedback and ideas and there's the opportunity to win a \$200 voucher!!

Thank you in advance for your participation and please use the link below to complete the survey by no later than 5pm on Friday 29th May.

St John has designed a two-hour workshop to up-skill staff. Attendees will be shown how to deal with the five most common situations they are likely to encounter in their workplace environment which could be a cardiac arrest, a falling injury, or a person cut and badly bleeding.
