BNH Business Improvement District Proposed Expansion

Business North Harbour is proposing to expand our Business Improvement District, the size of which was last increased in 2016. The proposed expansion area includes but is not limited to Albany Village, Oteha Valley Extension, some properties that currently sit outside the BID on Oteha Valley Road, Westfield Mall and the Megacentre.

Member approval is required to progress the project to a ballot which, if approval is granted, will be held in September – October 2026. If the ballot is successful and approved at the BNH AGM in November, the proposed BID expansion would be implemented from 1st July 2027.

An SGM has been arranged for Wednesday 2nd September, at which the proposal will be discussed and member approval will be sought, so be sure to register your attendance [here](#).

All the SGM documentation as well as details of the proposed budget for the 2027 – 2028 financial year, both with and without the expansion, along with maps of the current and proposed BID boundaries will be available [here](#) on the BNH website by close of business today.

Past Events

Networking & Nibbles – Hearts & Minds

Around 40 Business North Harbour members gathered for another successful Networking & Nibbles, this time hosted by the team at Hearts & Minds, where meaningful business connections met an equally meaningful community cause.

Brenden Rolston, a member of the Hearts & Minds governance board, reminded us of the power of networking by sharing their story "Our team attended a networking event a few months ago and spoke about our goal of fundraising for a consultation room," he said. "Through the relationships built at that event, all the funding came together. It really shows the power of networking and what can happen when businesses connect."
